PERMISSION FOR PHOTOGRAPHY

MODEL RELEASE - MINOR

For good and valuable consideration, the receipt of which is hereby acknowledged, I hereby grant to PRO Motorcycle Training, LLC (PROMCT) and the Motorcycle Safety Foundation (MSF) the absolute and irrevocable right and permission, with respect to any photographs or video that it or its agent will take of my child (who is under 18 years of age), to copyright the same, in PROMCT's and/or MSF's name, to use and publish the same in whole or in part, in any media now or hereafter, and for promotional or any other purpose whatsoever, and to use my child's name in connection therewith if PROMCT and/or MSF so chooses.

I hereby release and discharge PROMCT and the MSF from any and all claims and demands that are connected with the use of the photographs or video, including without limitation any and all claims for defamation, invasion of privacy, right of publicity, false light, and negligent or intentional infliction of emotional distress.

This authorization and release shall also accrue to the benefit of the heirs, legal representatives, licensees, employees, directors, trustees, officers and assigns of PROMCT and/or the MSF.

I am of legal age and competent to contract in my own name, and on behalf of my child. I hereby acknowledge that I have read the foregoing and fully understand the contents thereof. This waiver and release shall be binding upon me and my heirs, legal representatives, and assigns.

Why does PROMCT ask for this permission to take and post photos of models? If PROMCT instructors or other agents get around to taking photos of riders/students in class, PROMCT would like to put these photos on the PROMCT website or social media to make them available to the riders/students for viewing and/or download, or to show to family and friends.

PROMCT dealer sponsors and the MSF also would like to post photos of riders/students on their websites. PROMCT will not post any pictures that put any rider/student or PROMCT in an embarrassing or unflattering light ... if a photo embarrasses the model, it embarrasses PROMCT. That is in no one's best interests.
